

Stop the Uranium Mining in Northern Colorado

Here are some sample messages you can use in your emails or letters to your local and state lawmakers urging them to represent your interests and stop the uranium mining in northern Colorado:

Sample 1:

Subject: Stop Uranium Mining in Northern Colorado

Message: I am very concerned about the potentially severe impacts the proposed uranium mine near Nunn, Colorado will have on our land, water, and health. As my representative, I ask that you do everything in your power to stop this project.

Thank You.
(Your Name)

Sample 2:

Subject: Stop Uranium Mining in Northern Colorado

Message: I have serious concerns about the proposed uranium mining project in northern Colorado near Nunn. Everything I have read about uranium mining in the west indicates it cannot be done without significant risk to both local and regional water supplies. There are also potentially dire consequences to human health in the immediate vicinity of the mining.

We don't need a uranium mine in northern Colorado. As my representative, I urge you to put a stop to it now.

Thank you.
(Your Name)

Sample 3:

Subject: Stop Uranium Mining in Northern Colorado

Message: We do not need uranium mining in northern Colorado. The potential risks to our water, land, health, and real estate values are too high. As my representative, I urge you to find a way to stop this project now.

Thank you.
